Your Path to Peace of Mind Starts with Covert Results

Founded in 2018, Covert Results is a fully licensed and insured firm that provides a comprehensive range of services, including private investigations, armed security, cyber security, and specialized training. Operating primarily within the Middle Tennessee region with global connections, our agency executive staff boasts a remarkable collective experience of over 150 years in the realms of law enforcement, military, and investigations.

At Covert Results, we invest ourselves in your unique situation, your requirements, and, most importantly, your safety. Our seasoned team of security professionals and investigators are dedicated to delivering results you can trust. Driven by high standards and anchored in solid core values, our Peace of Mind Promise is clear: we deliver results that matter!

PRIVATE INVESTIGATIONS

PRIVATE INVESTIGATIONS

SURVEILLANCE INVESTIGATION

starting at
\$2,500

Amplify your scope, allowing for a deeper insight into your case: your lead investigator will run the operation, gather facts, assemble the team of investigators, collect and compile evidence from the team, upload evidence to a digital case file, and complete detailed reports. The minimum team size for **physical surveillance is two (2) Investigators** (Covert Results has the authority to add investigators based on the operation). There will be a five **(5) hour minimum** for each requested day of surveillance.

ADDITIONAL INVESTIGATOR TO ASSIST

per hour **\$90**

REMOTE CAMERA SURVEILLANCE 24/7 COVERAGE

starting at
\$3,500

Pricing starts for **twenty (20)** investigative hours where a high-definition camera with remote transmission capability is deployed on/at the target location or desired area and remains active 24/7. After the collection period, which may be weeks, the camera(s) will be recovered and data will be reviewed. All data will be stored and pertinent data placed in the client's digital case file. Remote camera surveillance cases can be customized per the client's request. All state and federal laws will apply.

GPS SURVEILLANCE

starting at
\$3,500

This service is customized based on individual needs. All state and federal laws will apply to this type of surveillance. There are only a few instances where a GPS tracker can be applied legally. Please **[CLICK HERE](#)** for more information on GPS tracking.

PRIVATE INVESTIGATIONS

STANDARD INVESTIGATION

starting at
\$1,500

Uncover the truth with our licensed private investigators. From criminal to civil cases or tracking individuals, our expert investigators have you covered for \$100 per hour billed toward your deposit. Your lead investigator will guide you to peace of mind.

TCSM "BUG SWEEP"

starting at
\$1,500

With a meticulous approach, we sweep through your premises, utilizing advanced equipment to detect any signals, transmissions, or anomalies that could compromise your privacy. Industry Standard is Technical Surveillance Countermeasures (TCSM) or also known as "bug-sweep".

DIGITAL FORENSICS

starting at
\$300/hr

Unveil the hidden potential of your digital realm with us. This service is your key to unlocking vital data from devices. A minimum of 10 hours, we retrieve crucial insights, provided you have the device passcode. We utilize Cellebrite, the same software used by Local, State, and Federal Authorities. A single cellular/tablet device that needs one extraction will start at \$1,500.

EXPERT TESTIMONY

\$250/hr

The intricacies of expert testimony demands personalized attention. In preparation for court proceedings, we conduct a face-to-face meeting between you and our seasoned expert. With a minimum commitment of 5 hours, our expert testimony service is designed to deliver the clarity and confidence you need when it matters most.

PRIVATE INVESTIGATIONS

DRONE OPERATIONS

custom pricing

Billed at one hundred dollars (\$100) per hour for one licensed and experienced private investigator and drone pilot to develop a flight plan and execute an operation within state laws. This service is customized and will require tedious planning.

CIVIL PROCESS SERVICE

starting at
\$500

For subpoena service, we suggest reaching out to local authorities first. Should their efforts prove ineffective, we're here to assist you. Our approach encompasses a comprehensive view, guaranteeing outcomes you can rely on.

BACKGROUND CHECK

starting at
\$200

The comprehensive report includes properties, vehicles, family members, associates, criminal history, social media names, addresses, etc.

911 SAME DAY SERVICE & HOLIDAYS

starting at
\$3500

When the demands of your investigation intensify and you are in need of same day services, Covert Results can deploy immediately. The emergency rate is \$250 per hour for two investigators. If more than two investigators are required then additional investigators are billed at \$150 per hour.

*required for following people and safety

SAME DAY INVESTIGATORS: (FOR 2 INVESTIGATORS)

per hour **\$250**

ADDITIONAL INVESTIGATOR TO ASSIST

per hour **\$150**

ARMED SECURITY

ARMED SECURITY

ARMED SECURITY & EXECUTIVE PROTECTION

starting at
\$55/hr

When it comes to safeguarding your premises, our armed security professionals step in with unparalleled expertise. Let Covert Results be your eyes & ears for your **Corporate Conferences, Special Events, Schools, Weddings, Churches, Executive Protection and VIP Services**. There is a **minimum of 5 hours at \$55/hour for most armed security situations. EP starts at a higher rate and is typically a custom package per the request.**

Two (2) officers are highly recommended for all situations, but if an event is serving alcohol two (2) officers is required to ensure comprehensive protection. Our officers, hailing from active or retired law enforcement and military backgrounds, are available both in uniform and plain clothes.

SCHOOL SECURITY

custom pricing

Ensuring the safety of children in schools is our foremost commitment, and we are dedicated to providing that peace of mind. With over 25 schools and churches entrusting us, our licensed, well-trained officers oversee the security of students, staff, members, and guests. What makes us stand out?

- Locally owned and operated; full-scale investigations company
- Same-day threat analysis & intel packets on potential threats
- Officers have law enforcement and/or military experience
- All are Active Shooter, First Aid, and De-Escalation trained
- Threat monitoring and alerts

SECURITY SITE ASSESSMENTS / RISK MGMT

custom pricing

We excel at crafting custom solutions to meet your unique needs. Our expert consultants assess threats, analyze data, and tailor security measures for your specific situation. Whether it's a home site evaluation, security testing, or active shooter action plans, we provide comprehensive assessments and solutions. Serving residential, business, school, and church sectors, our primary focus is intrusion detection and prevention.

CYBER SECURITY

CYBER SECURITY

DIGITAL FORENSICS & E-DISCOVERY

custom pricing

Digital forensics is a special branch of forensic science that utilizes advanced techniques to identify and analyze data found in digital devices, with the aim of uncovering evidence related to criminal activities. Covert Results, led by Robert Young, a seasoned detective, provides cutting-edge technology, including Cellebrite software, to reveal vital information stored electronically. Hourly rates may differ per project, but may start at \$300/hr.

In an evolving world, we empower individuals and businesses to harness data's potential, safeguarding your interests and supporting your people. Uncover, transform, and protect with our digital forensics solutions.

OPEN-SOURCE INTELLIGENCE (OSINT)

custom pricing

Unlock valuable insights across fields through vast public data with Covert Results' master OSINT intel analyst. From securing finance and healthcare assets, to brand sentiment analysis for marketing, or evidence gathering using OSINT platforms, our expertise harnesses open source intelligence tools for versatile applications, providing the right information you need.

THREAT MONITORING AND ALERTS

custom pricing

Covert Results partners with the leaders in social media OSINT monitoring to ensure client safety. Multiple social media platforms are actively monitored for keywords in regards to your specific name, location or other trigger words thus identifying active or potential threats.

CYBER SECURITY

CRYPTO CURRENCY TRACING

custom pricing

In the ever-changing world of digital currencies, some bad actors take advantage of the fact that things can get confusing. That's where Covert Results comes in. We're good at helping you make sense of the cryptocurrency mess, so you can understand your investments better and stay safe from scammers who hide behind anonymity while stealing your money. If you've lost money because of these scams, don't worry, there's still hope, we are here to help you fix things!

PENETRATION TESTING

custom pricing

Our penetration testing services are all about finding and fixing security holes in your computer systems, networks, or web apps before bad guys can use them. Our main goal is to keep your info safe from harm. Pen-testing goes a bit further, using active methods to stay ahead of criminals, preventing big losses like those from major breaches. Investing in thorough pen-testing now is like buying peace of mind for a small price, compared to potential big losses later.

REMOVE YOUR INFO FROM THE INTERNET

custom pricing

Stay vigilant and keep yourself off the internet by contacting Covert Results to have your information removed from over 270 websites including Google. Protect your digital footprint by our enhanced protection.

CONSULTING, EDUCATION, & TRAINING

custom pricing

In today's ever-changing cyber landscape, safeguarding your digital realm is paramount. Our consulting services offer expert advice on various topics, from complete network configuration reviews, device hardening techniques, server protection through firewalls and efficient password management. Stay protected with our up-to-date guidance.

TRAINING & CONSULTING

SPEAKING | TRAINING | CLASSES

TRAINING & CONSULTING

FIREARMS TRAINING

custom pricing

Our commitment to your safety goes beyond security. With our two state-certified handgun instructors, both retired Metro Nashville Police Officers, we offer comprehensive certification for handgun permits, unarmed guard licenses, and armed guard licenses.

ACTIVE SHOOTER TRAINING

custom pricing

Covert Results offers active shooter training for School Resource Officers (SRO's), Teachers, Staff, Businesses, and more. Our team consists of security experts with over 100 years of combined law enforcement experience.

We specialize in security assessments, SRO training, hostile terminations, and threat mitigation. We provide same-day intel packets for immediate threats, regular training sessions, and connections to trusted vendors for services like camera upgrades and ballistic laminate solutions.

TRAINING & CONSULTING

HUMAN TRAFFICKING AWARENESS TRAINING

custom pricing

Covert Results is partnered with Operation Rose who offers comprehensive human trafficking awareness training to empower individuals and organizations with the knowledge and skills needed to combat this pervasive problem. Our training equips participants to identify human trafficking signs, respond effectively, support survivors, and work collaboratively with law enforcement and community resources.

ARMED SECURITY TRAINING

custom pricing

We offer top-notch armed security training. Our comprehensive program covers firearm safety, threat assessment, conflict resolution, and emergency response protocols, all while emphasizing strict adherence to legal regulations. With Covert Results, your safety and success are our top priorities.

EXPERT TOPICS

custom pricing

Covert Results has professional consultants with decades of invaluable experience, committed to continuing education that extends to anyone willing to learn. We're here to share our expertise in various areas including: Security assessments, Title III / Wire-taps, Pharmaceuticals, Opioid crisis, Narcotics, and Courtroom testimony.

COMMUNITY INVOLVEMENT

Philanthropic Community

OPERATION
ROSE

Operation Rose is a nonprofit organization that is actively educating, preventing, and combating human trafficking in Middle TN and beyond.

The organization was founded in January 2021, in support of Human Trafficking Awareness Month, by Robert Young who is the founder of Covert Results, a private investigations, and security firm. The foundation headquarters is in Nashville, Tennessee.

Human trafficking in Nashville is a prolific problem and is the second largest crime globally, surpassed only by illegal drugs, and the number of victims has tripled from 2008 to 2017. Human trafficking in Nashville is a trafficker's paradise with 3 interstate systems and access to over 53,189 hotel rooms in the Nashville Metro Area.

In the spirit of collaboration and commitment, Covert Results proudly stands by Operation Rose. As a company devoted to safety and security, we understand the critical importance of protecting the vulnerable. By uniting our efforts with this incredible organization, we ignite you to join us in the relentless battle against human trafficking.
